

The British Carbon Group

The Brian Kelly Award

This annual award was established in 1996 in memory of Brian Kelly, a leading authority on graphite physics.

The award is intended as a travel grant for students and early career researchers with up to ten years postdoctoral experience to attend the annual International Carbon Conference. Anyone living or working, at the time of that conference, in the country where the conference is held is **not eligible**. As a consequence, applications will not be accepted from Germany on this occasion.

The award is made upon the basis of an appraisal of THREE documents: (1) the extended abstract or paper as submitted to the CARBON 2015 conference, (2) a short CV and (3) a commentary provided normally by the candidate's supervisor or close colleague. Self-nomination is permitted. The Award Committee of the British Carbon Group will determine the successful applicant.

The closing date for applications for CARBON 2015 will be **2nd March 2015**.

The award is currently five hundred pounds sterling (£500) and is presented at the time of the conference. It is a condition of the award that the winner attends the conference and presents his or her paper either orally or as a poster.

Applications may be transferred electronically to the Chairman of The Brian Kelly Award Committee, Prof. Malcolm Heggie, at m.heggie@surrey.ac.uk or, exceptionally, mailed to him at the following address:

Prof. Malcolm Heggie
